Successfully complete the high school plan, summer session, and one year at WITCC and you can earn your

## Associate of Science Degree

The Associate Of Science Degree is designed for students interested in the Sciences or Mathematics. While the A.S. degree program offers opportunities for personal and career enhancement, such degree is designed for students who wish to transfer to four-year institutions which offer Bachelor of Science degrees. Students who intend to transfer credits to another college or university should coordinate his/her sequence of courses with a WITCC academic advisor and transfer staff from the destination institution.

Tuition & fees savings on required courses taken in high school (24 credits)	\$ 2,988.00
College Now Scholarship	\$ 500.00
2 for 1 Summer Scholarship (assume 3 credit course)	\$ 373.50

**Total Savings \$ 3,861.50**

(based on 2009-10 IA resident tuition)

~ Additional scholarships may be available
